

## Let's Go Fishin'!!!

Here it is, another chance to meet your fellow chapter members on our Northern Wisconsin trip!!

### Details:

Bauer's Dam Resort

<http://bauersdam.com>

Lower Buckatabon lake

September 24-26

Rate \$37.50 /person/ night + tax (about \$40)

This is a special deal for our group. They have several cottages (Nice homes, if you ask me), Restaurant, Bar, private landing and protected docking. I have the Hideaway on hold at this time.

They are located 11 miles north of Eagle River and they have water. If you want to hit other lakes in the area, you are in the heart of Vilas County.

I will firm up the details as we get closer to the date, but plan on a group meeting for lunch Saturday. You can bring your own supplies or utilize the restaurant on-site. This is not a funded chapter event, but I will work on some deals if we have some participation.

Please email or call me to reserve our space.

I am looking to take a new member as my partner and welcome the opportunity to trade off with other boaters. What a great way to exchange information on the water.

I really hope to make this an annual event, Let's fill up the resort.

Thanks,

Craig Ader
