

NEWS CASTS

October 2009

Next General Meeting at Elks Club is 10/27

Doug Welch, SE WI Fisheries Manager will update us on the new Musky initiatives
 6:00PM Board meeting; 7:30PM General Meeting
 Waukesha Elks Lodge #400
 2301 Springdale Rd, Waukesha, WI 53186

Ralph Anderson Veteran's Memorial Outing

The outing on Sept 19th was a great success. There is complete story on page 4 and 5 of this Newscast.

Here is one of the comments made by one of the veteran guests and posted on the Outdoors First Muskies forum.

“I would like to thank Joel and the members of the Milwaukee Chapter of Muskies Inc. for the great time that I had at the outing. You made

all of us veterans feel very welcome and showed us a great time! Catching a fish did not hurt either. For the first annual it was run with a lot of class and I think I can say well done for all of the veterans that were there. And also, thank you to the Anderson family.”

More pictures and info on this wonderful day on Page 4 & 5 of this issues plus a very nice thank you note from Judy and family on page 7

Special points of interest:

- Attend one of your chapter meetings. 4th Tuesday of every month except November, the 3rd week, not in December, June, July, August. Members are eligible for a special drawing of a musky reel. Current one is a CAIMAN CA200, which usually have a sticker price of over \$100.00. That is a member only, NO COST door prize item.
- Our Chapter is managed by its members. We do need all of the talents and some of the time that you have to offer. There is more information about our elections in the PREZ SEZ column. Please come to the next meeting and participate.
- Investigation new chapter items for 2010. See article on page 10

Really, Really—Need a chair-person for the Banquet

As you know the one major event which makes all other events possible is our Annual Banquet and Fund Raiser. Without that, we cannot support any of the groups which have become part of and the major reason for our chapter.

The program for this event has reached a level, where all information is on the computer. This entails, the invitation list, the inventory of

items, the templates for various documents, the mail merge programs, the forms for the donors, the thank you letters, the actual schedule and timing of the event, etc.

The person who would volunteer to lead the team, should have a familiarity with computers, Microsoft Office to be exact. (or have access to a spouse who has that knowledge.

Interested parties, please contact Tom Arvoy for a tour of the documentation and systems behind it.

262-542-9997 or

Tom.Arvoy@att.net

Remember, NO BANQUET Means NO FUNDS

Please at least consider investigating the role!

Milwaukee Chapter Members Outing—September 10, 2009

On September 10th, we hosted our last chapter outing of the year. It was such a beautiful day that many took advantage of the opportunity to take off of work and get out fishing early. The combination of nice weather and the fact that it was our final outing boosted registration and attendance to the best of the year with a total of 25 members. It was definitely a casting bite with 6 legal muskies being caught during the official outing hours. All of the fish were caught casting. Dave Dawson won the fishing contest with two fish, a 43.5" and a 37.5". Rick Wyrwas also caught two fish and was a close second place with a 40" and 32". Jim Kwapil caught a 38.25" and our newest member, Jim Frett, caught a 33". Nice job everyone!

The gathering afterwards brought us all together for some good food and drinks while we exchanged stories and celebrated Darlene Kwapil's 50th birthday. We had a special drawing for a \$100 gift certificate to Smokey's which was won by Amy Heidenreich. We also had 3 bottles of wine which were won by Pat Guarnaccio, Jim Dembeic, and Jim Kwapil. Thanks again to our hosts John and Gordy, we appreciate them allowing us to continue to have our gatherings at Smokey's West.

Thanks to everyone for coming out and making the outings so much fun. We hope to see more of you join us next year!

Info about the next Gil Hamm—2010

The Brainerd Lakes Chapter courtesy of the Star of the North Chapter is bringing the 2010 Gil Hamm Chapter Challenge to Lake Vermilion in Northern Minnesota! The lodge info can be found at www.vdl.com.

Vermilion Dam Lodge is hosting the event. The date is the week of August 21-28 with the Hamm fishing Wednesday the 25th - Friday the 27th. - \$25 per 6 man team - Chapters can have as many teams as they would like

Fishing times are:

Wednesday 6am-6pm - Thursday 6am-6pm = Friday 6am-noon -

The rate is: - \$230/person/week - \$45/person/day - \$50/person deposit needed at reservation

Rate includes evening dinner Wednesday and Thursday nights and a lunch after the Hamm on Friday afternoon.

(more information on cabins, etc on the Muskies Inc Forum page) **Let's have a couple of teams in 2010!**

Why not bring a neighbor or friend to the meetings?

This is a very nice location. And the more you spend on raffle tickets, the more you win! (sometimes)

2009 Gil Hamm Challenge

Mike Phelps and Tom Arvoy headed up to Leech Lake early Sunday in order to get a couple days scouting in before the actual tournament began on Wednesday. Armed with enough beer, vodka and spicy bloody-Mary mix, they knew the week might be good if they could find the weeds, drop offs, reefs and rocks. It was getting dark when they arrived but out they went for a couple hours if only to warm up Mike's shoulder and see if Tom's ankle would hold up.

Monday was windy but warm. Weather man said 10-15 mph but after a grueling ride across the 102,000 acre pond that gave them both head aches and neck strain, a better estimate was more like 20-25. Fished a little on the rocks at Pelican island where a big one took Mike's Magnum Heli-Dawg – uh..big rock that is. The remainder of Monday and Tuesday was mostly uneventful except Tom also lost a Heli-Dawg but they did manage to mark out many nice spots to fish and went back with high expectations for the tournament. Bloody Mary's kept flowing Tuesday night while Tom made leaders, and Mike made a couple spinner baits. Rick Wrywas & Craig Ader busted into the cabin around 10 pm – it was quiet until then.

Wednesday dawned with Rick's alarm going off in Tom's ear at O-dark-thirty so he could logon to his laptop and catch the news – yikes! Mike & Tom managed to get out by 7 am and around 8 Tom had a hit on a 9" Suick but after 6 or 7 cranks the wily beast let go. Rick had something from the deep tear up his wire leader about 8:30 and other than a couple more follows that was it for day 1. Weather was Hot and almost no wind so after fishing we all gathered at the lodge for free pizza and of course had to have a few barley pops. Of course the usual conversations took place of where and what was working – but who would listen to those lies.

Thursday was slightly overcast and about 5-10 mph winds. Mike & Tom wrestled off many Pike and Mike even lost a pounder (moving up now) but we're sure (ahem) that one was a 'ski. Craig did save our chapter's honor with a nice fat 39" caught on a Suick. No fish on Friday, the half-day fishing, but Craig raised a big one on another Suick just before noon. For lunch, that day, the owner of Grand Vu Lodge put on a pig roast and all was going well until the 4 x 15 wafer beam twisted and the floor dropped about a foot in the center of the dining room. In a real testimony to fishermen & fisherwomen – they just kept on eating. Beer bottles and plates sliding into the center and hardly anyone moved from their seat; they just readjusted and kept eating without fear of falling into the abyss. Amazing! Luckily no one was hurt and eventually the raffles were moved outside. Friday night the Fargo Morehead Chapter put on a fantastic Pike fish fry which I think our chapter provided the most fish and also ate the most too.

While we only caught 1 fish, we had a great time and met a bunch of people from the other chapters. Just think of the fun and stories we could share with 10 or more at the next 'challenge'.

So there were 51 fish caught and 3 were over 50". The biggest was a 53".

The winning Chapter is the Star of the North from Grand Rapids, Minnesota, The 5 man team caught 10 fish with 2 over 50". Congratulations!

2nd place was Southern Crossroads from Minnesota.

3rd was North Metro also from Minnesota.

Kudos to Fargo Morehead for hosting the event - they all did a great job.

Update on the Ralph Anderson Veteran's Memorial—Number 1.

Saturday September 19th greeted our members attending the 1st Annual Ralph Anderson Veteran's Outing with a beautiful clear morning. For those of you that didn't know Ralph, he was a man who was willing to help out with anything. From youth outings to the Pewaukee Musky Study, he was always willing to assist. Many of you probably saw him helping out at our chapter meetings by working the raffle table. He was truly a member to rival the best.

For the outing itself, 10 members and 11 veterans ventured out on Pewaukee Lake with the goal of helping on of our veterans put a toothy critter in the boat. Although the weather was not the best for fishing, it was comfortable to fish in. By noon, 5 muskies were caught ranging from 36"s up to 38.5"s. We wrapped up fishing at noon and headed in for a cookout with brats and all a spread to rival the best family reunion.

Judy Anderson (Ralph's wife) and her family were also present and took a pontoon boat out for a few hours to take pictures and watch the members and veterans that were fishing in honor of Ralph. Judy mentioned that she was very thankful that we would honor Ralph this way.

After our cookout, we gave away various door prizes to all of the vets as well as the guides courtesy of Tackle Industries, Okuma Fishing, and our chapter as well. Everyone went home with a smile on their face and a story to tell. It was a great inaugural outing and we will have the Second Annual Ralph Anderson Veterans Outing coming up in 2010. Watch the Newscast for details as a date is determined. If you are looking for a great way to thank those that put their lives on the line for us to keep us free, this is an excellent way to do just that.

A few special thanks for the members that took time out that morning to try and put the veterans on some fish are due. Thanks to Mike Phelps, Roy Hinkforth, Jim Dembiec, Joel Michel, Tim Sheppard, Steve Registad, Rick Wyrwas, Nick Gosh, Clay Heller, and Clay's cousin (who's name I don't have, but he was there and helping). Also thanks to the Pewaukee Police department for donating brats and chips to the outing as well as Dave Hamlink and the Sunnyside Bar for donating buns and potato salad. Special thanks also goes out to Officer Bob Kraemer of the Pewaukee Police dept (and Cops and Bobbers leader) for taking the morning to cook the food for us all. Finally, thank you to our veterans. You are the ones putting your lives on the line every day to help keep us a great, free nation.

A great time was had by all, everyone saw some fish, and a few were even boated. What more could you ask for?

Some of the vets at Smokey's Musky Shop. Note the gifts.

First Annual Ralph Anderson Memorial
Veterans Outing

Pewaukee Lake, Sept 19, 2009

“The Prez Sez”

Hello Everyone

Since the end of May, we've been working on improving communication of Chapter and other pertinent events/seminars to you. The majority of our members have a computer and I hope you regularly visit our web site because Mike Phelps keeps it updated whenever new events are added or the synopsis of completed events are posted. But we also began providing as much Chapter 35 news as permitted in the monthly MI Magazine. We started in August so look for it in your issues.

Chapter Outings:

We had nine scheduled for the year and I did see a few new faces but not nearly as many as I had hoped. If you missed these outings, you missed out on some absolutely delicious food. Chefette Nancy Hinkforth gets the honors for the most diverse culinary meals but Dave Dawson, Pat Kilps, Larry Price and Ron Heidenreich each put on a terrific feast. We are very grateful to all for their time in organizing these events. Besides the food, here was a great opportunity to meet other Chapter members and share information about catches and follows or have a laugh at special encounters on the water. There are some really good sticks that fish these outings. I realize some of you may not have a partner or boat and would like to fish so next year in addition to calling the outing organizer, we'll be considering a forum feature on our web site where members can post and reply to outing partner appeals. I hope we have the resources to make this happen.

MOFC:

Mike Phelps has been our Contest Release Chairman for the past two years and because of his involvement with other Chapter jobs he's stepping down. We are looking for a replacement to take over immediately, however Mike has agreed to support the position until a replacement is found **but no later than December 31, 2009**. Qualifications would require computer/internet skills, also knowledge of Microsoft Excel is highly advantageous but not essential. Mike will train his replacement for normal posting & reporting duties and guide them through the Awards Banquet in 2010. Job commitment is about 2 hours per month and then 40 hours for the Awards Banquet. Anyone interested please call me at 262-542-9997 or for more information about the job call Mike at 414-807-3659.

Fishing has been great so far in Pewaukee – not that I would have first hand knowledge, but good numbers and some nice size fish have been reported. Congrats to all who've been sticking these fish

You and the Club:

I remember when I joined our Chapter many many years ago and still working lots of hours at my regular job. I didn't have the time to join the board much less attend many meetings. Mark Mickelson would call me occasionally stressing the need to load fry into the pond, help seine the pond for stocking or some other worthwhile cause. Eventually I'd give in once or twice each year helping where I could. Now I see why Mark was out beating the bushes for help. It sure makes it easier for everyone if we can get some of the general membership to help rather than relying on board members. I know when we come up short with volunteers, most of the board feels obligated to change their personal plans to make sure we have enough coverage. With over 200 members, that just doesn't seem right. I and the board thank all those who do participate every year in any capacity and I ask those who have not to reflect on your participation in the future.

There will almost certainly be a few positions open on the board in 2010. Please come to the Board meeting October 27th at 6:00 PM or the General meeting at 7:30 for more information. Here's your opportunity to make a difference and get "YOUR" ideas heard.

Election Nominations at the Oct 27th meeting.

Membership Report

Since April we have the following new Members:

Dave Vejvoda of Menomonee Falls

Mark Emmer of Pewaukee

Tom Harty of Franksville

Family membership of Adam, Lauri, Ben & Jessica Teriaca of Menomonee Falls

Jim Frett of Pewaukee

Jaimey Oimoen of Waukesha

Welcome to All.

As of September 30th, we have 229 members in the Chapter. Also please remember to let me know of any address change ASAP and I can get that processed to international.

Thanks

Tom Arvoy

Membership Director 262-542-9997 or tom.arvoy@att.net

Correction to News in August MI Magazine:

If you read your August copy of MI magazine and checked the Chapter 35 news, you will find a couple errors on the title tab. Since we haven't published chapter news for a very long time, some of the magazine data was not updated. Of course the correct meeting location is the [Waukesha Elks Lodge #400](#) located at 2301 Springdale Rd, Waukesha, WI 53186, and the entrance for the "400" room is in the back of the building. The board meeting begins at 6PM with the general meeting to follow at 7:30PM. All members are welcome to the board meeting.

Changes to the MI magazine will be in the September issue.

Very Important email change

Mike Phelps has changed his email to ehmphelps@att.net
please update your email system.

A thank you from Judy Anderson

(the Chapter received the following handwritten Note from Ralph's wife and family.)

Dear MI Members,

I would like to thank everyone who helped make the Ralph Anderson Veterans Outing a success. We had a gorgeous day, wonderful guides, and veterans who had a great time. Special thanks to Joel for organizing the day, to Nancy for bringing food and helping Bob Kraemer feed the group, and to the guides for the use of their time, boats and equipment. I'm sure Ralph was smiling at all those nice fish that were caught and/or spotted.

Thank you for honoring Ralph in this manner. He truly enjoyed doing things for the club. Please use the enclosed donation towards the Second Annual Ralph Anderson Veterans Outing,

Always, Judy and family

Information about the new Regional Meetings and some of the issues which have been identified

From our Region-2 meeting (our representatives)

As a result of our regional meeting Saturday October 10th I would like to announce REGION 2 has a new Regional Director, Robert Benson. In a unanimous vote by 10 RVPs and 2 regional Directors, Robert is the new Regional Director replacing Will Schultz. I hope you will all wish Bob well in his new term; his information is listed below for the website email.

At the meetings our Regional Directors have taken on certain roles of regional status. Bob Benson will be assisting chapters in youth projects, one of the reasons I am pleased to have him aboard. He has been a member of muskies inc for over 20 years and is from the 1st Wisconsin chapter. He has served as Chapter RVP and is on the Wisconsin Board of the Conservation Congress. Bob over the years has shown great interest in youth programs and will be an asset.

Bob Benson email: rbenson@alcatel-lucent.com Bob Benson Phone 715-924-4874.

Additional assignments to the RD's will be Bob Timme will be working with chapters on Memberships and Promotions. I will be working fisheries & tournaments; These assignments are on a regional basis.

If you have any questions please do not hesitate to contact me.

Thank you,
Fred E. Brogle
MI Regional Director
Region 2 (MI, IA, WI,)

These notes are from Region-4 and shows the scope of the issues which have to be addressed and defined.

It should be noted that it is not the Webmaster fault; he has not received any of the minutes to post on the Website; I talked to him yesterday by phone. Our meeting needs a lot of M.I. items to talk over too. Here is the list from my Chapter # 14.

(Webmaster posted them on 10-8-2009 the day that he received them.)

1. Motion for Flexible Regional Meeting times in October or November.
2. Who is doing the By-Laws for the Website/organization? Motion for all passed motions at the Spring Board Meeting be put on M.I. Website within 30 days. Right now they are not up to date. All that is available is the By-Laws voted on at the Fall 2008 International Meeting.
3. Where do we stand on the M.I. Policies and Procedures? Has it been updated or changes to reflect the new organization?
4. Motion for all Spring Board Meeting Minutes and EC Meetings Minutes be put on Website within 30 days of the Meetings.
5. How is the regional voting to be done?
 - (A) Do we vote by Chapters RVP's vote plus 3 Regional Directors?
 - (B) Only # of Chapters in a Region?
 - (C) Just the one Special Director vote?
 - (D) get the picture??? What is the process?
6. In each Region who is the Special Director? How picked??
7. Can more then one Region meet together?
8. All Regional Directors & RVP's need to know all the VP's responsibilities and what each one takes care/responsibility of. A report by them should be in the Spring Board Minutes on all they are in care/responsibility of.

9. Budget needs to show the paid employs salaries by them-self. Not all lumped into one amount. Budget put on Website in a friendly user way. The way it is now they can not be read nor copied to print.
- 10 Job description of each paid employ.
11. Better relations from Chapter's RVP's or Chapters President's or the Vice-Presidents.
12. Just who is the Board of Trustees mentioned so much in the By-Laws?
13. Motion for Guide Lines for a Regional Meetings which will include the Number of Chapter RVP's voting by RVP's Name and how the 3 Regional Directors voted.
14. Minutes of Regional Meeting. Need a Regional Secretary or one of the Directors take minutes!
15. If the RVP's vote no on a motion can the any of the 3 Regional Directors at the Spring Board Meeting vote Yes or vice versa.
17. Motion by a Chapter RVP must be submitted by one of the Regional Directors at the Spring Board Meeting or How are the motions to be done?

Submitted by Frank Walter

Extracts from the Fall Regional Meeting Minutes—Region-2

Meeting was hosted by the Eagle River chapter. Attending were 10 of the 13 RVPs and 2 of the 3 Regional Directors. Also attending was the Lorin Nevling, one of the authors of the new organization documents (from Madison) and the VP-Communications Dale Vercauteren (Green Bay), and Steve Budnick, also of Madison, past president of Muskies Inc. and part of the team which created this new organization.

The chapters commented on their plans and priorities.

Bob Benson was elected to s regional director position as the term of Will Schultz had expired.

Dale covered the status and plan for the web site. Some items he mentioned: new design should be ready in one month. Need to incorporate Magazine into the website, Make it much more user friendly, will be selling adds, Will be removing past minutes of all the Chapter meetings. Site will contain the largest online listing in the country for guide service and resorts, will also have maps for Musky Lakes.

It was determined that proxy votes were not allowed at this meeting.

There appears to be a new membership contest, details are lacking. (we will investigate)

Muskies Inc. budget for 2010 was reviewed and passed by region-2.

The region voted 8 to 4 in favor of the motion to hire a new executive Director by August 1, 2010. This is even though their discussions led them to understand that the motion was NOT to hire, but to continue the process of creating the position (editor note—the motion as published in the August MUSKIE magazine said "*Muskies Inc. to employ a full time director by August 1, 2010*" that seems pretty definite and defined).

The next regional meeting will be hosted by Chapter 58 on the 2nd week of October, 2010 at Lake St. Claire about 30 miles north of Detroit

Chapters were told to 'talk up' the need for new International Officers at their chapters and see if anyone is interested in running for any office, including the President position.

Steve Budnick and Lorin Nevling were presented with Certificates of Appreciation for their leadership and commitment to Muskies Inc.

Editor note—this is a recap of 5 pages of minutes from the meeting. (no comment on the minutes)

Chapter logo articles for 2010

This is the time of year when we begin the process of new apparel and items with the chapter logo on them. What would be a good addition to the 'clothing line' for 2010?

We are still offering the black jackets with the large embroidered logo on the bank. (By the way, if you would want that logo on any other item which you own, that can be arranged for just the embroidery fee)

Items we have offered include the following:
Caps—Camo, Pink, various colors, how about a fancier embroidered one? We've even had the rain hat with the full brim.

Visors—usually Pink

Sweatshirts—embroidered logo on front. We've even had them with the printed logo front and back.

T-Shirts—printed on back and front. Colors have been the "Not to popular Blue" and grey with blue, green, and red printing. Both short and long sleeve.

Dressier shirts—embroidery on the front only, styles included short sleeve, long sleeve, collar, no-collar, even some dress-type requiring ironing (unheard of by some)

Other items we've had:

Towels, big and small, with and without hanging features, cups, mugs, flashlights, knives, tool sets, etc.

What would you like to add to your collection? Contact

Ron Groeschl at 262-789-1255 or rgroeschl@wi.rr.com

2009'S LONGEST RELEASES BY MONTH

Month	Day	Name	Length	Lake(s)
May	16th 19th	Steve Miljat Pat Guarnaccio	41"	Pewaukee Pewaukee
June	25th	Tom Gelb	51"	North Twin
July	19th	Jim Dembiec	52¼"	Lake of the Woods
August	18th	Josh Vieth	51"	Eagle Lake

The rest of the months are not listed as they are incomplete due to the timeframe rules which apply to all entries.

Chapter members out in Minaki ON. Bryan Rheault, Bay-view Lodge owner holding his 49 inch caught trolling and being supervised by our Texas member, Mickey Bowes.

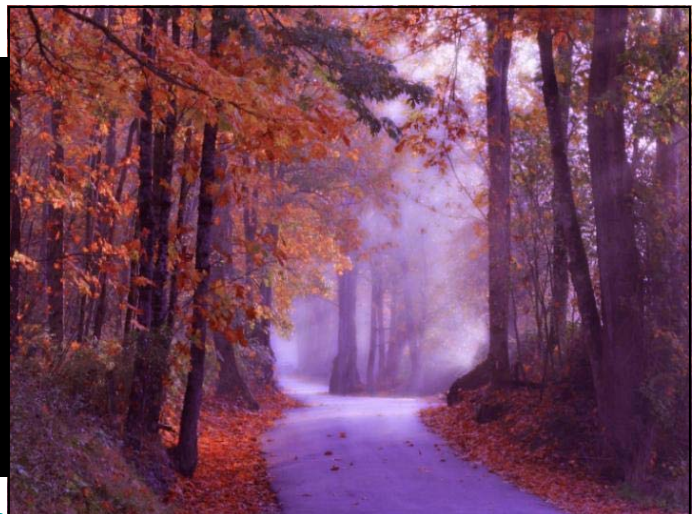

Typical group getting ready for another Cops and Bobbers outing. Lined up at Smokey's Musky Shop and assigned boat colors and already following directions. Hope we can do this next year if the Pewaukee Police are still around.

Possible new state record in Michigan 55 inches (don't know more details).

**Have a great
Fall Season,
See you at the
meetings.
Put them on
the calendar.**

Hit the chapter web site for update to date, (read current) information.
